

Payment connecting worlds

Application for certification as a **Trusted MIPS Partner (Merchant)**

CHARTER REQUIREMENTS

This charter in no way binds the company that signs it legally. It is their ethical engagement towards a way of doing business.

- 1** A sincere desire to promote and empower local Mauritian businesses.
- 2** Actively promoting social and environmental welfare in day-to-day business operations and interaction with stakeholders.
- 3** Overcoming institutionally imposed obstacles by engaging in and preserving person to person communication.
- 4** Avoiding corporate bureaucracy and competitive jostling and stalling through real working collaboration.
- 5** Embracing the human aspect of business, by overlooking genuine mistakes that will be made in working together.
- 6** Be an advocate for the small and struggling business, while challenging those whose dominate the market.
- 7** Striving for more than financial gain, but in every business dealing, acting to leave the world in a better position as a result.
